

Get in touch with Chicago's music history

At a free Restvale Cemetery walking tour

You can watch the documentaries and tour the blues clubs, but there's nothing like the experience of visiting the gravesites of Chicago's legendary blues musicians. This tour will highlight artists like Muddy Waters, Magic Sam, Hound Dog Taylor, Jazz Gillum, Walter Horton and Daddy Stovepipe.

The tour is a prelude to a benefit concert the same evening that will raise funds for Joe and Charlie McCoy's gravestones.

Sunday, Oct. 3 • 2:00 pm
